

**University of Florida
Aquatic Animal Health Program
Externship Funds Application**

Due Dates: Nov 20 and Apr 20

Date:
Name:
UF ID number (if applicable):
Attending university (if other than UF):
Expected year of graduation:
Contact Information:
Location of Externship:

Please provide the following documentation prior to attending the externship: cover letter with statement of career goals relevant to aquatic animal health, resume, statement of financial need, and 2 letters of reference (can be letters provided to externship applications).

The above information is due by 4:30 on either Nov 20th or Apr 20th or the following business day, if the date falls on a weekend or holiday, to either:

Dr. Iske Larkin
CVM, LACS PO Box 100136
2015 SW 16th Ave
Gainesville, Florida 32610

Phone: 352-294-4095
Cell: 352-494-1742
E-mail: ivlarkin@ufl.edu

Once the externship has been completed and prior to the release of funds we need: a two page report from you of your experiences during the externship, a letter from the mentoring veterinarian explaining that you satisfactorily completed all goals during the externship, and our office of externships must receive a satisfactory clinical evaluation from the mentoring veterinarian.

Should your application be approved for funding, students will receive \$250 per week, for a minimum of two weeks and no more than 4 weeks. See current list of approved externships at the following web page: <http://education.vetmed.ufl.edu/student-services/externships/> and if you hit the Externship Classification column title, all the Aquatic externships will come to the top.

Funding priorities will be given in the following order:

- (1) 3rd or 4th year UF veterinary students
- (2) 1st or 2nd year UF veterinary students with significant aquatic animal background
- (3) Students having received prior funding.

Any significant aquatic animal background is helpful in prioritizing ranking of applications.
