

**Aquatic Animal Conservation Issues (3 credits)**  
**Dr Iske Larkin course coordinator**  
**University of Florida, College of Veterinary Medicine**

### **I. Course Information for Year 2015**

Number: **VME 6010, VME 4012, VEM 5371**

Semester: Fall

Graduate (VME 6010): Section 03E8 UF students; Section 043H non-UF students

Undergraduate (VME 4012): Section 0435 UF students; Section 0438 non-UF students

Vet Student (VEM 5371): Section 031D (in state); Section 031E (out of state)

To Access the course, please go to: <https://lss.at.ufl.edu/> starting Monday Aug 24<sup>th</sup>, 2014, hit the e-Learning in Canvas button and log in with your Gator link username and password. You should see the following link at the top of the page: VME4012/VME6010/VEM5371: All Sections - 2015-AqAnConslss, Fall 2015.

### **II. General Information**

Course director: Dr. Iske Larkin, PhD

Office location & office hours: E-learning web mail; 8-5 M-F during the course

Office phone number: 352-294-4095

Email: [IVLarkin@ufl.edu](mailto:IVLarkin@ufl.edu)

Course Faculty: Don Behringer<sup>1</sup>, Bob Bonde<sup>2,3</sup>, George Burgess<sup>4</sup>, Stephen Cassle<sup>2</sup>, Alex Costidis<sup>5</sup>, Michelle Davis<sup>9</sup>, Katherine Garland, Elsa Haubold<sup>7</sup>, Jeff Hill<sup>1</sup>, James Jawitz<sup>1</sup>, Michael Jepson<sup>9</sup>, Iske Larkin<sup>2</sup>, Patrick Larkin<sup>2</sup>, Denise Petty, Alicia Reid, Laurie Richardson<sup>8</sup>, Andrew Stamper<sup>6</sup>,  
*1- University of Florida, Institute of Food and Agricultural Sciences; 2 – University of Florida, College of Veterinary Medicine; 3 - U.S. Geological Survey, Sirenia Project; 4 Florida Museum of Natural History; 5- University of North Carolina, Wilmington ; 6 - Disney Animal Programs and Environmental Initiatives ; 7– Florida Fish and Wildlife Conservation Commission; 9–National Oceanic and Atmospheric Administration (NOAA); 8 – Florida International University; 9 – SeaWorld, Orlando*

Teaching Assistant: TBA

#### **Prerequisites**

At least 2 courses beyond basic Biology I & II (BSC2010 & 2011) in the following scientific fields: physiology (example-PCB4723C), anatomy (example-ZOO3713C), ecology (example-PCB4043C), behavior (example-ZOO3513C), zoology (example-ZOO2203C), or instructor permission.

*If you have technical problems with accessing the course web site, you should contact UF computer support:*

- e-mail [learning-support@ufl.edu](mailto:learning-support@ufl.edu)
- call (352) 392-4357
- 'e-Learning Tutorial' link to the left within Canvas

Their office hours are as follows: **Monday-Thursday: 7:30am-10:00pm**

**Friday: 7:30am-5:00pm**

**Weekends: 12:00pm-6:00pm**

### III. Course Description

*Course goals/ Educational goals of the course:* Become acquainted with controversial issues surrounding the conservation of aquatic animals ranging from invertebrates to marine mammals, with some emphasis on marine mammals, but also including sea turtles, fisheries, and marine ecosystems. Develop critical thinking skills with regards to identifying problems, providing possible solutions and compromises that may help to conserve aquatic animal species and their environment. Cultivate scientific writing skills.

*Course organization:* The class will focus to a large extent on lectures and a significant amount of reading from book chapters and primary scientific literature on the topic chosen for a given class, and discussion. Students in this class will develop a working knowledge of some of the critical conservation issues facing a variety of aquatic species and will be introduced to both sides of a given problem.

- The MediaSite lectures are taped seminars given by individuals from various institutions, as listed above, who are experts specializing in the topics covered.
- Rather than have exams, students will be expected to review the reading material and the MediaSite lectures, then complete the module quiz and related homework assignments. The quizzes within each module may be taken 3 times before the due date, are open book, and the highest score will count towards your grade.
- Adobe Connect sessions will be provided every other week as an opportunity to ask questions in real time. Extra credit is provided for those attending the live sessions, but it will not be required for students to attend the real time session. Students will be asked to provide questions through the discussion board in the event that they cannot attend the live Q&A sessions. Questions will be covered during the sessions, which will be taped, allowing access through a link to be viewed at the student's convenience.
- Homework will include items like a 2 page review and critique of a scientific journal article, 10 slide power point presentation and literature searches of scientific publications.
- Students will be asked to write a pro/con review paper on a controversial topic of their choosing, providing an equally weighted overview of both sides of the controversy. Once handed in, identifying names will be removed and each student will then be asked to review and rank at least two papers.

Grades will be proportioned as indicated in the tables below (V. Evaluation/ Grading/ Testing) and will be based on TA and Professor assessments outlined in provided grading rubrics.

Directions for assignments, lectures and due dates will be provided within each learning module and specific assignment links.

Students should contact the course coordinator or TA by e-mail or within the course discussion board for any questions. You can expect a response within 24-48 hours (usually sooner, except for weekends).

*Course Outline & schedule:*

Generally you will see the following schedule each week, but some exceptions may occur:

**Quizzes and Homeworks** are due on alternating Sundays at 6:00 pm EST within each module.

In some cases there are 2 parts when students respond to classmate posts, then a Thursday due date is included.

Adobe Connect **Question & Answer sessions** will be held Thursdays 3:00 – 4:00 pm EST (sessions will be taped and can be viewed asynchronously)

(\*\*Please note that the schedule below may be amended due to lecture availability, with appropriate notification to students ahead of time)

Module		Lectures	Quizzes/Assignments	Due dates
Wk - 1 (Aug 24-30)	Introduction and Overview	Introduction & Natural History and Ecosystems Overview (I. Larkin)	Quiz: Syllabus	Sun Sep 6 (6:00 pm EST)

			HW: Develop Public Sign	Sun Sep 6 (6:00 pm EST)
Wk - 2 (Aug 31-Sep 6)	Sea Turtles	Natural History and Conservation (Garland)	Quiz: Wk 1&2	Sun Sep 6 (6:00 pm EST)
Wk - 3 (Sep 7-13)	Fish	Aquatic Ecosystems and Fish (Behringer)	HW: Mitigation article search	<b>Part 1</b> due Thurs Sep 10 <sup>th</sup> (10:00 pm); <b>Part 2</b> due Sun Sep 13 <sup>th</sup> (6:00 pm EST)
			Term Paper Part 1	Sun Sep 13 <sup>th</sup> (6:00 pm EST)
Wk-4 (Sep 14-20)	Corals	Coral Health (Richardson)	Q&A session	Thurs Sep 17 (3:00-4:00 pm EST)
			Quiz: Wk 3&4	Sun Sep 20 (6:00 pm EST)
Wk-5 (Sep 21-27)	Aquaculture	Disease and Impacts on Conservation (Petty)	HW: power point	Sun Sep 27 (6:00 pm EST)
Wk-6 (Sep 28-Oct 4)	Attitudes	Marine Mammals (Haubold); Management of Elasmobranchs (Burgess)	Q&A session	Thurs Oct 1 (3:00-4:00 pm EST)
			Quiz: Wk 5&6	Sun Oct 4 (6:00 pm EST)
Wk-7 (Oct 5-11)	Fisheries Interactions	Human Interactions and Marine Mammals (Costidis); Social Science in Fishery Management (Jepson)	HW: Sci Article Rev/critique	<b>Post article</b> Thurs Oct 8 (10:00 pm); <b>Rev/Critique</b> due Sun Oct 11 (6:00 pm EST)
Wk-8 (Oct 12-18)	Right Whales	Conservation of North Atlantic Right Whales (Reid)	Q&A session	Thurs Oct 15 (3:00-4:00 pm EST)
			Term Paper Part 2 - Draft	
			Quiz: Wk 7&8	Sun Oct 18 (6:00 pm EST)
			Term Paper Part 2 - Review	
Wk-9 (Oct 19-25)	Manatees & Florida Springs	Florida Manatee: Biology & Conservation (Bonde); Changes in Florida spring ecosystems (Jawitz)	HW: Discussion Questions	<b>Part 1</b> - Thurs Oct 22 (10:00 pm EST) <b>Part 2</b> - Sun Oct 25 (6:00 pm EST)
Wk-10 (Oct 26-Nov 1)	Toxicology	Aquatic Toxicology and Endocrine Disruption (P. Larkin)	Q&A session	Thurs Oct 29 (3:00-4:00 pm EST)
			Quiz: Wk 9&10	Sun Nov 1 (6:00 pm EST)

Wk-11 (Nov 2-8)	Military Interactions & Managed Animals	Military Interactions with Marine Mammals (Cassle); Marine Mammal Captivity (Davis)	HW: Pro/Con power point	Sun Nov 8 (6:00 pm EST)
Wk-12 (Nov 9-15)	Non-native Species	Introduced and Invasive Species (Hill)	Q&A session Term Paper Part 3 - Draft Quiz: Wk 11&12 Term Paper Part 3 - Review	Thurs Nov 12 (3:00-4:00 pm EST) Sun Nov 15 (6:00 pm EST)
Wk-13 (Nov 16-22)	Corals & Shellfish	Ocean Acidification (Stamper)	HW: Article search & summary	<b>Part 1</b> due Thurs Nov 19 (10:00 pm); <b>Part 2</b> due Sun Nov 22 (6:00 pm EST)
Wk-14 (Nov 23-29)		<b>Term Papers Due</b>		<b>Tuesday Nov 24 (10:00 pm EST)</b>
Wk-15 (Nov 30- Dec 6)	Aquatic Birds	Natural History and Conservation (Cunningham)	Q&A session Quiz: Wk 13&15	Thurs Dec 3 (3:00-4:00 pm EST) Sun Dec 6 (6:00 pm EST)
Wk-16 (Dec 7-9)		Wrap Up & Evaluations		Wed Dec 9 (10:00 pm EST)

#### IV. Course Materials

TO ACCESS THE MODULES ON E-LEARNING IN CANVAS, GO TO THE **HOME** or **PAGES** LINK.

Reading material will be provided in PDF format through links on the Canvas E-learning site and will include selected chapters from Conservation and Management of Marine Mammals, 1999, Eds. John R. Twiss Jr. and Randall R. Reeves (CMMM); Biology of Marine Mammals, 1999, Eds. John E. Reynolds III and Sentiel A. Rommel (BMM); Marine Conservation Biology: The science of maintaining the sea's biodiversity, 2005, Eds. Elliott A. Norse and Larry B. Crowder (MCB); and current literature from journals on relevant topics. Please expect to read a significant amount of material each week, which may be 1 book chapter (~30 pages) and/or 1-2 journal articles (10-15 pages each).

#### Library Support

Hannah Norton has agreed to provide assistance with accessing the UF library system and conducting literature searches. She can be reached at [nortonh@ufl.edu](mailto:nortonh@ufl.edu) and she has access to the E-Learning class web page. Feel free to contact her if you need assistance with finding articles or scientific papers on specific subjects. So if you need help finding that 'perfect' paper for an assignment, she is here to help.

#### MediaSite Lectures

If you are having trouble accessing the lectures through the MediaSite Link, when prompted you need your Gator Link User Name and Password and you may need to download Silverlight if it does not automatically

prompt you to do so. You may install Silverlight through the following link:

<http://www.microsoft.com/getsilverlight/Get-Started/Install/Default.aspx>

#### Note on assignments

When applicable, assignments should be in a MS Office document format (use .doc or .docx for documents, .ppt or .pptx for powerpoint, etc.) Sorry Apple people. You can use iWork, but just save the file as .doc, etc. and prepare for cross compatibility issues. If you do not have MS Office for Windows/Mac or iWork for Mac, there is a freeware version of such software that is compatible. You can find it at [www.OpenOffice.org](http://www.OpenOffice.org). The files created with this software can also be saved as .doc, .ppt, etc. If this is something you would like to do, but need some help you can contact the campus computer support group (e-mail [learning-support@ufl.edu](mailto:learning-support@ufl.edu), 'e-Learning Tutorial' link to the left within Canvas, or call (352) 392-4357)

For the most current information on the computer requirements, please visit this page before the course begins: <https://wiki.helpdesk.ufl.edu/>

**V. Evaluation/ Grading/ Testing:** Grades will be based on participation, completion of quizzes, homework assignments (i.e. - critical review of a scientific paper, a power point presentation, discussion board postings etc... ). Students will be asked to write and review a term paper. Due dates will be held to strictly.

#### Feedback

You will find feedback on your assignments in the same site where the homework directions are found, under the Assignments link. Discussion assignments will also be graded and feedback is also under the related Assignment link. Grades for the assignments, discussions and quizzes will show under the Grades link.

Feedback on the quiz answers will be provided the Thursday after quizzes are due. You can find this under the specific quiz link. E-Learning grades the quizzes automatically. Homework and term paper grades will be based on TA and Professor assessments outlined in provided grading rubrics. Grades should be assessed within 2-3 weeks of the due date.

#### **For Graduate and Undergraduate students:**

<b>90%</b>	<b>Performance &amp; Knowledge of Subject Area</b>	
	Ability to satisfactorily integrate reading material, discussions, and writing assignments as demonstrated	
	30%	Quizzes
	30%	Homework assignments (equally weighted across modules) – includes critical review of a scientific paper, a power point presentation, discussion board postings etc... <i>(Rubric point scales for each assignment are for grading and feedback. Differences in point scales do not reflect differing % to final grade between assignments.)</i>
	30%	Pro/con Term paper & Reviews
<b>10%</b>	<b>Participation</b>	
	Regular Access, Participation in Adobe Connect Q&A sessions Enthusiasm & attitude	

A	94 - 100
A-	93-90
B+	89-87
B	86-83
B-	82-80
C+	79-77
C	76-73
C-	72-70
D+	69-67
D	66-63
D-	62-60
E	59 -0

**For CE students:**

<b>90%</b>	<b>Performance &amp; Knowledge of Subject Area</b>	
	Ability to satisfactorily integrate reading material, discussions, and writing assignments as demonstrated	
	45%	Quizzes
	45%	Homework assignments (equally weighted across modules) – includes critical review of a scientific paper, a power point presentation, discussion board postings etc... <i>(Rubric point scales for each assignment are for grading and feedback. Differences in point scales do not reflect differing % to final grade between assignments.)</i>
<b>10%</b>	<b>Participation</b>	
	Regular Access, Participation in Adobe Connect Q&A sessions Enthusiasm & attitude	

**For Veterinary Students:**

<b>100%</b>	<b>Performance &amp; Knowledge of Subject Area</b>	
	Ability to satisfactorily integrate reading material, discussions, and writing assignments as demonstrated	
	50%	Quizzes
	50%	Homework assignments (equally weighted across modules) – includes critical review of a scientific paper, a power point presentation, discussion board postings etc... <i>(Rubric point scales for each assignment are for grading and feedback. Differences in point scales do not reflect differing % to final grade between assignments.)</i>

CE students will receive a certificate of completion for grades of a C or better, all other students will receive their calculated letter grade as indicated above.

*\*\*Note – Homework assignments completed past the due date will automatically be graded -10% as late. Points will continue to be removed over time past the due an additional -10% per day.*

*Late quiz submissions will not be accepted. You must submit at least one quiz ~10 min before the final due date/time for the system to be able to process and recognize your submission or it will give you a 0.*

*If there are problems and you find yourself falling behind, contact me as soon as possible. Notifying me after the fact will not add points back that have already been removed. Please be prepared to provide documentation, such as a doctor's note or other official paperwork with your name and date of event should something come up to prevent you from participating in the class (ex – illness, car accident, death in the family etc....)*

*All work conducted should be done independently unless specifically indicated in the assignment directions. Any writing should be your own thoughts or a summary of other reading material. **Plagiarism will result in a 0 for the assignment.***

Turnitin is a plagiarism Checker and will be used within the course.

**For more information on grades and grading policies, please visit:**

<https://catalog.ufl.edu/ugrad/current/regulations/info/grades.aspx>

### **UF Counseling Services**

Resources are available on-campus for students having personal problems or lacking clear career and academic goals. The resources include:

- UF Counseling & Wellness Center, 3190 Radio Rd, 392-1575, psychological and psychiatric services.
- Career Resource Center, Reitz Union, 392-1601, career and job search services.

Many students experience test anxiety and other stress related problems. "A Self Help Guide for Students" is available through the Counseling Center (301 Peabody Hall, 392-1575) and at their web site:

<http://www.counsel.ufl.edu/>

### **Honesty Policy**

All students registered at the University of Florida have agreed to comply with the following statement: "I understand that the University of Florida expects its students to be honest in all their academic work. I agree to adhere to this commitment to academic honesty and understand that my failure to comply with this commitment may result in disciplinary action up to and including expulsion from the University." In addition, on all work submitted for credit the following pledge is either required or implied: "On my honor I have neither given nor received unauthorized aid in doing this assignment." If you witness any instances of academic dishonesty in this class, please notify the instructor or contact the Student Honor Court (392-1631) or Cheating Hotline (392-6999). For additional information on Academic Honesty, please refer to the University of Florida Academic Honesty Guidelines at: <http://www.dso.ufl.edu/sccr/honorcodes/conductcode.php>

### **Accommodation for Students with Disabilities**

Students who will require a classroom accommodation for a disability must contact the Dean of Students Office of Disability Resources, in Peabody 202 (phone: 352-392-1261). Please see the University of Florida Disability Resources website for more information at: <http://www.dso.ufl.edu/drc/> . It is the policy of the University of Florida that the student, not the instructor, is responsible for arranging accommodations when needed. Once notification is complete, the Dean of Students Office of Disability Resources will work with the instructor to accommodate the student.

### **Software Use**

All faculty, staff and student of the University are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against University policies and rules, disciplinary action will be taken as appropriate.

**EVALUATIONS** - Don't forget to evaluate your instructors, visit the UF Evaluation site at:

<https://evaluations.ufl.edu/evals/>
